

Crowd Sees Grid Fete

A capacity crowd Tuesday heard Dr. Carl Bredt, Texas University assistant Dean, explain lessons learned from football and saw senior James Fontaine win saw Quarterback Club trophy.

Introduced by Hilliard Thomas, Cameron, Dr. Bredt, a leading football official and former president of the Southwest Football Officials Assoc., told the 275 YHS grid players and guests of the object lessons learned in football.

He enumerated self control, integrity, service and industry among the many things that football teaches players.

"You learn the most when you lose some games rather than winning them all," he said. "It is a lot easier to take the pats on the back in a winning streak than the feeling of failure when all the games are not won."

The banquet at First Methodist

Fellowship Hall attracted most of Yoe High School's A, B, AND C — team players and dates. Dozens of school and civic officials and members of the Quarterback Club were on hand.

Fontaine accepted the first Quarterback Club trophy as the outstanding YHS gridder in football ability, citizenship and scholarship. He played tackle and end three years on the A team and was co-captain along with senior guard Joe Humplik. He also presented Dr. S. H. Richardson with a miniature football trophy for his work as president of the Quarterback Club.

Humplik, Fontaine and senior Griffin Barrett presented presents on behalf of the team to the coaching staff. Principal J. R. Young, Supt. Wiley Loughmiller, team physician Dr. Clifford Swift and game announcer Charlie Burke.

Emory B. Camp, Cameron, was master of ceremonies.

Coach Jim Speer introduced his players and three assistant coaches.

A girls quartet composed of Judy Sutter, Sandra Smith, Mary Alice Duncan and Joyce Hannon presented a vocal number prior to introductions of visitors and coaching staff. The Rev. E. J. Davis gave the invocation.

CHRISTMAS LIGHTS — Jaycee workers Don Humble and Bill Crockett are hard at work stripping two of about 20 streamers that will be redecorated with new tinsel for downtown decoration. Workers will complete the long strands of lights tonight so that decorations can be erected Monday throughout the city. Jaycees and Chamber workers are combining on the project. — Stafffoto

Santa Parade Has Record Turnout

Officials Say: Cranberries? Go Ahead, Eat 'Em

Like most of the nation, Milam Countians will be eating cranberries at Thanksgiving.

Information from the State Department of Health this week asserted that Wisconsin, New Jersey and Massachusetts cranberries are not being unsheveled in Texas grocery stores.

A letter signed by Dr. L. P. Walker, director of local health services, Texas Department of Health said that cranberries from the Oregon - Washington area which have been found to be contaminated have been or are being removed from food channels.

No Washington or Oregon cranberries tainted with the spray that causes cancer in rats have been found to date in food channels in the South or Southwest part of the United States.

About 10 percent of the total national crop was estimated contaminated by the chemical.

Dr. Walker's letter said: "We have been in contact with the Federal Food and Drug Administration, and based on information received from the Administration, we are not at present time taking exception to cranberries from the Wisconsin, New Jersey and Massachusetts areas."

He went on to say that the Texas Department of Health "is collecting sufficient samples of cranberries to assure the public that cranberries sold in Texas will be safe and free of contamination."

He noted that similar action was taking place throughout the nation.

Meanwhile, Oregon and Washington cranberries have been pulled off the market in the West Coast region where practically 100 percent of that crop was directed.

Richard Moseley and McCullin Award

Moseley Resigns Chamber Position

Chamber Manager Richard Moseley Friday submitted a letter of resignation from his post effective December 31 which was accepted with regret by Cameron Chamber directors.

In the parttime position one year Moseley said he was accepting a fulltime position as a representative of American General Insurance Co. He will remain in Cameron.

The dynamic Chamber administrator recommended that the Chamber begin immediately to find a fulltime manager to succeed him.

"The Chamber's program has grown to the point where a full-time manager is almost necessary if it is to continue to expand and be effective as it should be. I hope that the Board will see fit to employ such a manager," his letter said.

Chamber President Milton Schiller has appointed a committee to screen applicants for the post.

Moseley assured Chamber directors that he will continue in an advisory capacity for whatever time is necessary after January 1 if a new manager is not yet hired.

Schiller and a number of the directors voiced their appreciation for Moseley's Chamber development work, which has increased membership to 195 members and triggered about 10 major programs through 1959.

"I appreciate the opportunity you have given me during the past year to develop and put into effect a Chamber of Commerce program of activity which I believe has already meant much to our city. And if continued with the same spirit of co-operation, desire and determination on the part of the membership, it will result in future progress of which every citizen will be proud," his letter said.

He said a report of the previous 12-month Chamber program is being prepared. It includes accomplishments for Cameron: two Mall showings, an enlarged Junior Livestock Show, Cameron Western Week, community survey in conjunction with TP&L, location of several industrial sites, successful parade promotions at Christmas and Saddle Club events, among others.

Moseley still operates two variety stores in Bartlett and Cameron. The 1959 McCullin Award winner also is a member of the City Council, First Baptist Church deacon and Sunday School superintendent, Scoutleader and Red Cross bloodmobile chairman.

St. Nick Plans Cameron Visit Tuesday, Dec. 1

Santa and his pals will have a tremendous parade ahead of them when his annual visit to downtown Cameron starts 4 p. m. Tuesday, December 1.

Chamber Manager Richard Moseley listed about 40 entries scheduled for participation in the annual gala event, some 25 ahead of the same pre-parade lineup last year at this time.

He hinted that of St. Nick would arrive by parade time by unusual transportation, but failed to tell what means would be used.

"Milam County kids will be surprised and delighted if our plans go through for Santa's Cameron visit," Moseley told The Herald.

But whatever means the North Pole visitor uses to get here, Cameron will be decked out in new downtown Christmas decorations for the huge parade, long a Cameron tradition.

Chamber officials said that additional entries would probably swell the parade well beyond last year's record proportions.

Churches, civic clubs, schools and other organizations may enter floats in the parade if notification is made to the Cameron Chamber office not later than Wednesday, November 24.

Cash prizes will be awarded by the Chamber of Commerce for the four best floats, to be judged on the following basis: overall beauty, 40 percent; originality, 30 percent; workmanship, 20 percent; and theme, 10 percent. First prize will be \$25, second \$15, third \$10 and fourth \$5.

A partial list of participants in the 1959 parade is: sheriff's car, State patrol car, flag bearers on horseback, Yoe High School band, Trinity Lutheran Church, Girl Scouts, Stedman Tractor Co., Saddle Club wagon, Cameron Herald, Rosenberg Motors, Bethel AME Church, Burkes - Howard Co., Boy Scout Troop 191, Schiller Motors, Milam County 4-H, Pearson Chevrolet. — PARADE - Page 10

Workers Prepare New Yule Decore

Jaycee and Chamber workers were getting Cameron ready this week for another season of Yuletide observance in the "Christmas City" as they prepared new downtown decorations for stringing.

Work crews from the Cameron Junior Chamber stripped old decorations Monday night in preparation for final work on light strands that will be erected Monday by Texas Power & Light crews throughout Cameron business districts.

The new decorations were made possible by Chamber member contributions and proceeds from Western week promotions last July in Cameron.

After the lights and gleaming strands of aluminum tinsel go up across Cameron streets, Jaycees will erect the traditional Community Christmas tree in the Courthouse Square and pipe highfidelity music from atop the Milam Courthouse.

Work also was beginning on the Jaycees' Christmas Santa Pals toy project which this year will seek to collect more new toys for distribution to underprivileged children in the Milam area.

Jaycee President John Schigut urged Camerontes and city organizations to donate their toys to the Santa Pals project, now in its fifth season in Cameron.

Last year the project reached about 300 children with new and repaired toys either repaired by Jaycee workers or paid for by community contributions to the project.

The Jaycees are seeking information on the location of a suitable tree for the courthouse square, Schigut said.

All the Christmas preparation was going full tilt to meet Cameron's growing reputation as the "Christmas City."

The two - night production will feature "Parson" Nathaniel P. Brown and the "deacons," club officials said.

Entitled "Ole Time Camp Meeting," the show will include an evening of variety acts, singing, jokes, and instrumentals.

Curtain time at both Milam and Gause School showings will be 7:30 p. m. Tickets are 75 cents for adults and 35 cents for children.

Milano Lions Club To Give Minstrel

The Milano Lions Club will present a minstrel show Friday, November 27, at Milam School and Monday, November 30 at Gause School.

The two - night production will feature "Parson" Nathaniel P. Brown and the "deacons," club officials said.

Entitled "Ole Time Camp Meeting," the show will include an evening of variety acts, singing, jokes, and instrumentals.

Curtain time at both Milam and Gause School showings will be 7:30 p. m. Tickets are 75 cents for adults and 35 cents for children.

I'd read about it, but hoped and never dreamed I would see it. Anyway, we saw two pages come loose from The Herald's Miehle press this week and dash themselves to pieces on the floor.

Such a tinkle and crash you've never heard nor the fantastic scramble and scatter you've never seen.

If anyone wonders why old newspapermen get gray, drawn and ulcerated, come get the pieces of metal on our floor. But somehow, we came out all right.

A curious thing about honesty. It seems the horrendous publicity job done on the TV quiz fiascos has turned American conscience inside out.

Anyway, Sheraton Hotel officials report that their nation-wide chain of hotels is being besieged with the return of items stolen from their rooms as long as 20 years ago. It seems the quiz publicity turned up missing towels by the hundreds, a silver service, jewelry and numerous items long missing and forgotten by hotel management.

Past patrons even are returning money they found in rooms, but failed to turn in at the desk. Ah, honesty, thy name is "getting caught!"

Ministerial Group Plans Observance

The Cameron Ministerial Association is sponsoring a Community Thanksgiving service 7:30 p. m. next Wednesday at the First Presbyterian Church.

The Rev. E. J. Davis, pastor of the First Methodist Church, will deliver the Thanksgiving message.

The Revs. W. R. Grimes and D. C. James also will present part of the program.

An offering will be taken up for use by the Ministerial Association to aid transient needy.

TELEPHONE TALK

by C. L. Carson, Manager

BARGAIN IN SERVICE

As I see it, here are some reasons our telephone service here in Cameron is a real bargain:
Your telephone works for you 24 hours a day, seven days a week. Have you ever stopped to think how much it would cost (in time and money) if you paid a boy to run all your errands for you? How many times a day do you make calls? - receive calls? Ever have to call a doctor late at night - or any other time? Ever call the fire department or police?
These are some of the things that make your telephone service a bargain.

IDEA FOR THANKSGIVING

In most homes the highlight of Thanksgiving Day is a family get-together and, of course, a big meal that Mom spent half the day cooking.
Juicy turkey, tasty dressings and all the trimmings. Yes, a happy occasion for the whole family, and Mom deserves a pat on the back for making it that way.
But is that all? A friend of mine has come up with an idea that really makes a hit at his house.
"Last Thanksgiving," he told me, "as I watched my wife fixing dinner, I felt she deserved a reward. I was wondering what I might give her and then I decided — a long distance call. She can talk with her folks."
"Great idea," I said. "How'd she like it?"
He smiled. "That long distance call was sort of like our pumpkin pie."
"How's that?" I asked.
"The whole family enjoyed it."

ALL-GERSHWIN SHOW ON TV NOVEMBER 20

A lot of people I know rank George Gershwin's songs among their favorite tunes. Since I happen to feel the same way, I am happy to tell you that the Bell Telephone Hour will present a one-hour musical program devoted entirely to Gershwin melodies.
Tune in at 7:30 p.m. on Channel 6 on November 20 to see this show. Stars to be featured are singers Ella Fitzgerald, Vic Damone and Polly Bergen; piano soloist Andre Previn, who will play "Rhapsody in Blue," and dancers Marge and Gower Champion. Donald Voorhees will conduct the Bell Telephone Orchestra.

There's nothing like a new car—and no new car like a Chevrolet. This is the 1960 Chevrolet Bel Air Sport Coupe!

PEOPLE SAY THESE ARE THE THINGS THEY WANT IN A CAR...and CHEVROLET for '60 comes closest to meeting every need!

Interviews with thousands of car owners across the country show clearly what they like or dislike about their present cars . . . and what they want most in their 1960 cars. Here's what the people tell us they want . . . and here's how Chevrolet meets their needs.

"Price, that's what's uppermost in my mind." All Impalas and Bel Airs with V8 engines are lower in price, as are automatic transmissions and many other popular options. Also Biscaynes now include as standard equipment conveniences formerly optional at extra cost.

"And how about operating economy? And resale value?" You keep right on saving after you buy your favorite Chevrolet, too. And Chevrolet's traditionally higher resale value means you'll get more back when you trade.

"Give me plenty of good old-fashioned comfort." There's comfort and then some in this one. Chevy's long on space, for one thing. Once you're under way you'll know just how comfortable Full Coil suspension makes your ride.

"Safety—don't forget safety!" You're surrounded by safety features in a new Chevrolet. You've got big, sturdy brakes underfoot, for example, that last longer. As it has been for years, safety is standard equipment in Chevy.

"Let's keep upkeep down, too." More than ever, Chevrolet for 1960 is built to stay on the road and out of the repair shop. You can tell that from its hushed, untruffled way of going, from the solid thunk of Chevy's big doors. Of course, if you should need service, you're always near efficient, economical attention to your needs.

"I want a car that will stand up to the driving I do." For proof of Chevy's staying power, just spend a minute watching the nearest road. You'll see more Chevrolets traveling on it than any other car—evidence-on-wheels of Chevrolet durability. (And that higher resale value attests to it, too.)

"Me for a sweet-handling car." Handling's always been Chevy's forte, and 1960 is no exception. But really, this kind of lightness and precision you've simply got to enjoy for yourself.

"... a car you can look at and be smug about buying it." Chevrolet for 1960 leaves the low-price field far behind when it comes to fashion. But you're the best judge of styling, so take a good close look at Chevrolet. We warn you: you're about to fall in love.

"And performance. Let's have a hot one!" Chevy's spirited V8's have set the standard for ultra-efficient power in American-built passenger car engines. You've got a long list of performance-minded transmissions to pick from, too.

So that, friends, is what you told us you want. We think it can be summed up rather well in just one word: *value*.

Get the full story of Chevy's brand of value soon at your Chevrolet dealer's.

Pat has done a very good job with her barrows and has made plans to enter barrows in the 1960 shows. Hard work is paying off for this Milam County 4-H girl.

Milam County Pecan Show To Be Held December 3

By J. D. Moore
County Agent

Milam County Pecan Show will be held on December 3, 1959, here in Cameron. The following classes are usually entered: 1) Heaviest pecan (named variety) 2) Highest percent kernel (Native seedling) 3) Highest percent kernel (named variety) 4) Heaviest pecan (named seedling) 5) Best Shelling pecan. 6) Best kernels. 7) Best collection of THREE VARIETIES. 8) Best collection of SIX VARIETIES. 9) most attractive pecan 10) Other varieties.

Ribbons will be given to 1st, 2nd, and 3rd place entries in each class. Exhibitors should select one quart jar of pecans for exhibit. Enclose in the jar: Name of exhibitor, address of exhibitor, name of pecan variety and location of tree.

Exhibitors may leave pecans with committee members or at the county agents office. Committee members are Anton Anderly (Chairman), Henry Schattler, Jr., E. J. Provack, Alvin Dusek, P. W. Davis, Pete Tumlinson, F. W. Vogelsang, August Gurecky, F. J. Karnowski and Mr. and Mrs. Hugo Linke.

SPECIAL PECAN REPORT
Texas pecan production is forecast at 23 million pounds. This is 12 percent below last year's crop of 26 million lbs and 34 percent below the '94 - 57 average. The Nov. 1 forecast consists of 18.4 million lbs. of native pecans and

4.6 million lbs. of native pecans and 4.6 million lbs. of improved varieties.

Crops are very spotted throughout the State. A light harvest was underway the latter part of Oct. Active harvest is not expected until around mid - November. Production is expected to be above last year over most of east Texas and along the Upper Coast. Prospective production is below 1953 in the Edwards Plateau and in central Texas. The crop is short in south Texas for the second consecutive year.

Pecan production in the U. S. is forecast at 123, 350, 000 lbs. This is 29 percent below the 1958 crop and 18 per cent less than the 1948-57 average. The Nov. 1 forecast is 5 percent less than that estimated a month earlier, largely due to poor crops in prospect for Texas and Oklahoma.

Specimen of Ants to be Identified
During the past two weeks a half dozen families have brought samples of ants to the county agent for identification. Positive identification was not made locally and the ant specimens were sent to A & M College.

We have a letter from the extension entomologist stating that the ants were sent to the National Museum in Washington for positive identification. We doubt that the ants are the imported forms of the "Fire Ant" but we want to be sure, according to C. F. Garner, entomologist at A & M College. It generally takes about three weeks to hear from the Museum and just as soon as we receive word of the determination, those interested will be notified.

Hot dogs, sandwiches, cakes, kn-laches and pies will be served. Entertainment for everybody. Everyone is cordially invited. Proceeds will go to the Marak School.

At 84, he not only puts in long days at his New York office at a pace that wears out associates two generations younger, but he travels more than 50,000 miles a year through the length and breadth of the retailing organization that bears the mark of his personality and beliefs.

Penney stores are well-known for their friendly relations with their customers. The founder insists on this. He called his first store "The Golden Rule", and notes that nothing has yet come along to convince him that the Rule ought to be repealed.

Penney, a devout and plain man, has had a career more colorful than any merchant of Baghdad. He has become a legend in his lifetime - and much of the legend is built on the stories of people who know him - and people whose shoes he has fitted.

Incidentally, he still fits shoes.

In a Midwestern store a man and his wife and several children came in and asked for the shoe department. They were led thither by a salesman who took great pains to provide them with the proper fit in a moderate - priced line. The couple told the salesman how much they enjoyed buying at Penney stores and said that Mr. Penney must be a wonderful person. "I'd sure like to meet him someday," said the man as the fitting was finished. The salesman stood up, extended his hand, said simply, "I am Mr. Penney."

V. M. Fay, manager of the Penney store in Long Beach, Calif. says that Penney visited the spanning - new store two years ago. "I was hoping," says Fay, "that Penney was impressed by the beauty of the displays, and the bright

Farm Census Begins In Milam County

Field work in the 1959 Census of Agriculture got underway locally yesterday when a force of census takers started visiting every farm in the area, it was announced today by Field Director James W. Stroud of the Census Bureau's regional office at Dallas.

Farm census questionnaires have been mailed to all farm operators. The census takers will visit all local farms to collect the questionnaires and, if necessary, assist the farmer in filling out the report form.

The 1959 Census of Agriculture is the 17th in a series of nationwide farm canvasses, the first of which was conducted in 1840.

The Census of Agriculture is taken at five-year intervals to provide up-to-date statistical information about the nearly five million farms which supply food and raw materials for manufacture of goods used by the people of the United States, now numbering about 178 million.

lights and glamorous setting. But on the way down the escalator Penney said, "Vern, see those two customers over there. No one is waiting on them. I'll take one - you take the other."

"I've never forgotten it," says Fay.

YHS Ties Hearne, 6-6 In Rugged District Tilt

Gay Races 33 Yards For TD As Eagles Defense Slow Yoe

By Robert Mann
Teh Cameron Yoemen, unaffected by near-freezing weather and a sparse gathering of fans, played the Hearne Eagles to a 6-6 tie at Yoe Field Friday night.
The last tilt of the season was highlighted by Chris Gay's 33-yard touchdown run in the second quarter. Hearne was held until midway through the third stanza when Simon Martinez gathered in a pass from quarterback Billy Weaver, good for 55 yards and a TD.
The tie placed the two squads on even terms in district play. Belton and Rosebud ahead of them, the Yoemen and Hearne are tied for third place with Rogers bringing up the tail end.

Hearne's defensive team was a sight to see when the chips were down. They stopped the Yoe on the 1 yardline twice in the 4th quarter. One instance was 1st and 10 on the 3, but the Yoe were thrown back by the Eagles rushing line.

PLAY BY PLAY

Here's a play-by-play of the Yoemen's last football battle of 1959.

Cameron took the kickoff. Fikes ran the ball back 7 yards. Beyer got 4, Fikes lost a yard, and Beyer fumbled giving the ball to Hearne on the 34.

Quarterback, Grady Russell, got a yard, Russell completed a pass to Billy Weaver good for 8 yards. George White got 5, Howard White got 1. A 5 yard penalty was issued against Cameron. The Eagles lost control of the icy ball and Fikes recovered on the Cameron 11.

Fikes got a yard on a keeper play and Lierman was stopped after a plunge to the line of scrimmage. Fikes missed with a pass and then punted out to the 45, good for a 33 yard punt against the wind.

White got 5, Russell 2, White 4, Weaver 3, and Russell 13 for a first down. White got 3 and Russell lost 1. Russell hit White with a 10 yard pass. Martinez got 6 but fell 2 yards short of a first, giving Cameron the ball on their own 10. Lierman got away for 16 yards. Beyer broke for 7 and Lierman got 4 for another first.

SECOND QUARTER

The second quarter began with Beyer running for 2 and Amos Doskoil picking up 3. Lierman got 5 for a first down, his third first of the night. Fikes found a hole and got 14 before Cameron suffered a 15 yard penalty. Lierman got 4 and Fikes missed with 2 passes before punting out against the wind, 15 yards to the 24.

White got 2 and 5 before losing 2. Hearne issued a 5 yard penalty. Martinez booted out 18 yards to the Cameron 40 yardline.

Ed Lierman picked up 4 yards, Gay 3, and Fikes 4 for a first down. Fikes got 2 and Gay 4. Fikes lost 2 and missed with a pass, giving the ball to Hearne on the 24.

Hearne took a 15 yard penalty. Martinez was stopped cold before punting 24 yards away.

Gay Goes 33 For TD

Fikes carried for 3 and gave Gay the ball on a snap handoff. Gay went 33 yards off tackle to paydirt eluding tacklers all the way. Bill McQueen's extra point kick attempt failed making the score 6-0, the Yoemen in the lead.

Russell took the ball back in their own territory for Hearne and lost 9 yards following the kickoff. Russell passed to Howard White for 18 yards. Russell got 1 previous to a completed 30 yard pass from Martinez to George White, wrapping up the first half of play.

The second half of play started with Cameron receiving. Lierman got 2, Fikes 6 and 3 for a first down. Gay got 4 and Fikes lost 2. Lierman picked up a yard. Cameron suffered a 15 yard penalty.

Quarterback Fikes booted the pigskin good for 22 yards.

White got a yard following the punt return. Russell hit Sowma with a 3 yard pass and then Martinez kicked out to the 32 good for a 22 yard punt.

Lierman was stopped at the line of scrimmage, Gay got 5 and Fikes kicked 10 yards to the 46.

Martinez lost 3. Martinez incompleated a pass, Russell hit White with a 3 yard toss and Martinez booted 45 yards.

Fikes got 2 yards, Lierman 0, and Fikes 2. Fikes chose to kick and sent the ball sailing 50 yards downfield.

Pass Accounts For TD

White got 2 from the 35. Quarterback Bill Weaver dropped way back and threw a long one to Simon Martinez for a touchdown. Pass and run went good for 55 yards, longest ground gaining play of the night. The extra point attempt failed.

Ed Lierman scampered through a clear field for 39 yards and a first to end the third quarter of play. Lierman broke away again this time his 22-yard jolt carried Cameron to the 21.

Lierman got 1, Fikes 5, and Gay 5 for a first. Fikes got 6 and 2. Beyer got 1 and Fikes was stopped at the line of scrimmage giving the ball to Hearne on the 1 yardline.

Martinez, without hesitation booted to the 33.

Cameron C Squad

Drop Rogers 26 - 16

The Cameron C football squad dropped Rogers' C squad by a 26 - 16 margin in Rogers Thursday.

Craig Wallace was the big man in the Yoe lineup scoring three of the four TD's with Damon Corona accounting for the other touchdown.

Rogers scored their touchdowns in the first and second quarters, the score at halftime was 16-12 for Rogers.

Gay picked up 5 yards and Beyer 6 accounting for a first down. Sowman intercepted on the 20. Cameron was penalized 5 yards. White got 15 and Martinez 5 to end the contest and the Yoe football season.

Buckholts Edges Jarrell, 40-39, In Season Finale

The Buckholts Badgers completed their 1959 football season last Thursday night by edging Jarrell 40 - 39 in a nip and tuck contest.

Buckholts came from behind to take the win after Jarrell piled up a 16 - 0 lead early in the game and with Jarrell leading 24 - 20 at the half.

Bobby Malovets of Buckholts scored 3 times on two runs from scrimmage each for 63 yards and once he returned a kickoff 80 yards.

Thomas Tate scored once on a 2-yard drive over center. Carroll Gene Fuchs scored on a 35-yard pass interception and Curtis Fuchs completed the Badger scoring in the 4th period by taking a pass good for 20 yards and the winning touchdown.

The win gave Buckholts 6 wins and 4 losses for the season and 5 wins and 5 losses in district competition.

Lexington Scrapes By Milano, 16-14

The Lexington Eagles defeated the Milano Eagles in a football contest Friday night by a 16 - 14 score.

Lexington scored early in the first quarter from 4 yards out to take the lead. The extra point conversion was good making it 8 - 0.

In the second quarter Lexington reached paydirt from 2 yards out. The extra point pass play was good keeping Lexington in the lead at half time, 16 - 0.

Milano came to life in the third quarter, scoring a touchdown on a 30 yard pass play to Eugene Lagrone from Morris Zawadzke. Ollie Bullock went 36 yards around right end late in the third quarter for a TD. He threw the extra point pass that went for 2 points, ending the rally at 16 - 14.

Milano threatened to score twice in the last quarter. They lost the ball on downs at the 18 and also fumbled on the 12.

Eight Yoe Seniors End Grid Careers

By Robert Mann

Eight Yoe High School seniors saw action for the last time on a High School football field Friday night in Cameron's 6 - 6 tie with Hearne.

Joe Lee Humplik headed the list of seniors, playing his last game. Humplik was the main fire in the Cameron line and seemed to be in on every play.
A three year letterman, he's been a regular since 1957 when such all - star players as Guy Dillon and Ray Green graced the Yoemen.

Griffin Barrett, Herman Koranek, and James Fontaine head the list of three year letterman that saw action.

Barrett, a 165-pound guard had a reputation of being one of the teams surest tacklers since he was a sophomore when he weighed in at 140.

Fontaine, an ex-tackle was switched to end this year due to the inexperience of the team's other ends. Koranek, a brother to 1957's tackle Sidney Koranek has been

steady at tackle for the past three seasons.

Ronald Brashear is the only two-year man on the senior squad. An understudy of George Zarosky last year, he showed promise and played his position well this year.

Billy McQueen, Jimmy Camp, and Ed White round out the graduating seniors. All are one year lettermen.
Due to a leg injury, he only saw limited action during the early part of the season.

McQueen saw action at offensive fullback and halfback and proved to be a rugged defender as well as the team's extra point kicker.

Camp saw action at tackle in his first year with the squad and White was a part-time starter at guard.

AUSTIN — Sometimes the law enforcement officer has the feeling of being alone.

This statement was made by Abilene Police Chief Warren Dodson at the Texas Law Enforcement Foundation's banquet in Austin. It pinpoints one of the reasons for TLEF's existence — to effect a better partnership between the public and the law enforcement agencies.

Public sympathy it seems, is inclined to go out to the criminal, putting him in the role of "underdog", the hapless victim of hard-hearted policeman and prosecuting attorneys.

"Texas legislature has a poor record for crime fighting," Gov. Daniel charged at the meeting. "Of 26 law enforcement bills proposed last session, only three were passed — and these were partially crippled."

Governor Daniel warned that crime is increasing three times as fast as the population, and it is the state's most serious social problem. During the first six months of this year, lawlessness flourished at the rate of three murders, three rapes and 125 burglaries each day.

TLEF is a privately financed organization of outstanding citizens from over the state.

ALL THE WAY FOR LBJ

Governor Daniel announced he will support Sen. Lyndon B. Johnson, not only for the presidential nomination, but for chairman of the Texas delegation to the Los Angeles national convention.

Senator Johnson and former Gov. Allen Shivers fell out over who should be state delegation chairman in 1956. Johnson won.

Daniel says he wants Johnson to be chairman, but that he (Daniel) will take an active role in working for the senator both here and in other states.

SAVE THE SEED

State Board of Education has gone on record as being unanimously suppose to spending anything but the income from the \$400,000-000 Permanent School Fund.

Fund has been built up over the years, principally through sales of mineral rights on the school lands. It has been invested in government and municipal bonds which have an income of about \$12,500-000 per year.

This investment income is used for school operating expenses. It is dipping into the principal — the \$400,000,000 — that the Board opposes.

Board resolution compared the school trust fund to seed corn which "our forefathers saved to plant instead of grinding it for use as food."

There has been talk of tapping the permanent fund to meet current demands for a teacher pay raise.

Soviet Union And You

The United States is currently beset with a quest for direction, prompted by the materialist competition of the Soviet Union.

At every level, this nation finds "purpose" the keynote question of its action or inactivity. We might say we are seeking justification for greater productivity, for more tremendous strides in learning and doing.

The community, once safe in its trade territory, finds the larger city attempting to devour chunks of economic existence; the state once imminent in regional jurisdiction, sees federal powers circumscribe its authority; the nation, once autonomous in hemispheric influence, senses the totality of foreign threat.

Long since World War II have units of nations seen necessity in banding together, much like the federation of states in American Revolutionary times. But this cycle of bigness in politics, economics and society must finally end. It foretells the need for a greater, yet smaller autonomy.

Who is responsible for this upheaval?

It is probably wrapped up in the limited insight of man himself. Because of human limitations, he must make decisions that compound his shortages of Modern Day experience into false direction and inevitable chaos. We place faith in man's decision and lose faith in man. Then we judge ourselves so harshly that we decline into inaction and social demise.

Our sense of direction is affected by a phenomena termed "drift" in the studies of cultures by Arnold Toynbee, celebrated British historian.

He finds that when man supplants faith with over belief in himself, "drift" becomes a movement too strong to be met by man. This would suggest that he must constantly recognize the ethereal as well as the material, regardless of his successes.

Russia's total effort to outproduce, outdogmatize and overtake Western culture, though a part of it, reflects our need to find a sense of direction and turn "drift" into a sense of accomplishment.

If we are to name the production of material wealth and power an end in itself, we succumb to a natural inclination to worship productivity rather than its use in the belief of self improvement.

This boils down to individual responsibility to contribute to self-improvement without reliance on the misdirection of the mass. So far as he can, it is the individual who determines his real purpose. It is the group that falls prey to domination of shallow causes.

"Spinning our wheels" for gadgetry as a means and an end provokes disbelief and disintegration. The individual finds no staying power in a purposeless group.

After much consideration, we can say, the United States stands as a formidable potentate of individualistic peace. And the Soviet Sphere is an instrument of fear and domination and a usurper against man's highest idea of himself . . . an individual of purpose and importance.

New Financial Idea In Castro's Method Of Buying Land and Cattle

While I don't own any cattle in Cuba, a head or two of my livestock have been known to turn up on, while not exactly foreign soil, at least on soil not my own, as my neighbors have been quick to point out, still I have been very interested in what Dictator Fidel Castro has been doing to some American cattle he found over there.

As I understand it, some Americans own a big ranch and about 7,000 head of cattle in Cuba, and Senor Castro, now that he has won his revolution and discovered keeping it won takes a lot more money than mountain fighting did, has decided to appropriate the ranch.

Well, maybe appropriate isn't the right word. He's paying for the land and cattle, but not in cash, in bonds, the land to be paid off in the next 20 years, the cattle in the next 20 years, the cattle in Castro government survives.

I don't think the Americans who owned the ranch will like this; in the first place they probably weren't interested in selling at this time and in the second place if they had to sell nothing beats cash and probably a lot of things beat Castro bonds, but Senor Castro's idea has great possibilities for this country.

For example, Senor Castro himself was in Washington not too long ago and he wasn't there for the social season. What Washington ought to do is tell him it has finally decided to make him a loan but in lieu of cash we're sending over a large stack of Civil War Confederate currency. When that runs out, we'll send over a large stack of Russian bonds we've been holding for 30 or 40 years. If that isn't enough, I'm sure we have a good many old World War I notes put up by a wide assortment of European countries, and he can take his pick. Stuck away in the inactive files, Washington must have enough old notes to keep Castro in television time for years to come, if he can get the stations to accept them. If Washington runs out of old notes, I imagine private banks all over the country,

Board of Education approved the holding of a county-wide election to see if Cooke County residents would be willing to support a junior college at Gainesville.

A study of the feasibility of establishing a junior college in Midland also was approved.

Textbooks in seven subjects were adopted by the Board, including, for the first time, journalism books.

RULE HITS 'CORPORATE OPTOMETRY'

Within the next few weeks Texas optometrists will vote on a proposed new rule prohibiting practice under any name except the name under which the optometrist is licensed.

Before polling the optometrists, the Board of Examiners in Optometry got a ruling from Attorney General Will Wilson stating that the regulation would be legal and valid.

While the board is not bound by the results of the balloting, it was predicted that a favorable response would almost certainly result in adoption of the rule. This, because there are hundreds of individuals engaged in optometry as compared with firms so engaged.

If adopted, the rule would prohibit practice "under an assumed name, corporate name, trade name or any name other than the name which the optometrist is licensed."

This would mean the end of such firms as Texas State Optical, and Lee Optical, where glasses are available at considerable savings to the general public.

Last Rites Held For Mrs. Little

By Mrs. D. M. Westhook
Tel. GL 5 - 2854

Mrs. Clarence Little died last Thursday night in a nursing home in Rockdale. She had been sick for several months.

Funeral services were held Friday at Phillip - Luckey Funeral Home and Burial in Milano Cemetery. Mrs. Little was survived by her husband, two brothers, John Holland of Waxahachie, Jim Holland of Milano. Five sisters, Mrs. Bill Tisdale, Mrs. Minnie Devall, Mrs. Lula Mills, Mrs. Lessie Boggan all of Milano and Mrs. Susie Boggan of Hearne.

Mrs. John Myrick was injured last week when a car struck her as she was walking down the sidewalk in Temple. She received a fractured arm and several bruises.

Mr. Lonnie Devall of Port Arthur spent the weekend with his mother Mrs. Minnie Devall.

Mr. and Mrs. Lewis Rush of Houston spent the weekend with her sister Mrs. Pearl Williams.

Charles R. Hairston of Bay City spent the weekend with his parents Mr. and Mrs. Bill Hariston.

Mrs. J. R. Netherland and daughter Dianne from Houston visited Mrs. C. J. Roy last weekend.

Miss Verna Hood returned home Sunday from Scott and White Hospital where she underwent surgery several days ago. She is improving nicely.

Mr. Homer Haddox and Harold Kornegay left Sunday to go Deer hunting at Wheelock. Jim Haddox of Hearne will join them there.

The Home Demonstration Club will meet at the school house

Thursday with Mrs. John Yookum as hostess. It will be agents day and the subject will be on shrubs. The American Legion Post commanders had breakfast and memorial services at Sloan's Cafe last Wednesday morning. Memorial services were for past commanders who had passed away this year. Those remembered from Milano were James Boggett and George Mills.

Mr. and Mrs. Gerald Vinton and Gary, Mr. and Mrs. Curtis Miller, Evelyn Ann and Beverley and Mrs. Miller visited Mr. and Mrs. Dugan Vinton in Somerville Sunday night. Mrs. R. L. Mills of Rogers attended the funeral of Mrs. Clarence Little Friday.

Last Rites Held For George Stall, 91

George Stall, Sr., 91, a retired farmer of the North Elm Community, passed away at his home at 12:30 a. m. Tuesday. He has been ill for the past two weeks.

Surviving are four sons: George Stall of Lexington, Fred Stall, of Cameron, Julius Stall, Burlington and Willie Stall of Bucholtz. Three daughters: Mrs. H. J. Hewer, Cameron, Mrs. Annie Arisman, Cameron and Mrs. Rosa Lee Westbrook of The Grove. One brother, Ben Stall of Marshall.

Palbearers were his grandsons.

Gause ...

J.R. Browder On Deer Hunt

By Mrs. Jim Harlan

Mr. J. R. Browder took off Thursday from his daily routine and went to Gordon where he planned to get in some deer hunting while he visited with his brothers. If Jimmie Cass hadn't delivered his papers Friday morning, Mrs. Browder would certainly have been late to school.

The Boy Scout committeemen met Thursday night with the Scout Master Eugene Rose, Jr. and elected the following officers for the coming year: Henry Simmons, Institutional Representative; Vernon Shaw, Assistant Scout Master; James E. Payne, Committee Chairman; Raymond Slay, Secretary; R. B. Smith, Treasurer; Roy Lewis, Property man, Oscar Willard, Advancement man; Henry Simmons, Outdoorsman. The committee set the first Thursday night of each month for their regular meeting time. The Scout Masters will meet each Tuesday night with the boys. Numerous suggestions were made by Scout Master Rose for the efficient and effective conduct of the scouting program and they were enthusiastically approved by the committeemen. The parents are now asked to get behind these leaders and encourage the faithful attendance and participation of the boys so that the goals will be accomplished.

The Gause School Library Club paid tribute to our veterans Nov. 11 with a patriotic assembly. Lucinda Johnson opened the program with a prayer. Bud Anderson led the students in the pledge of allegiance to the flag after which they sang the national anthem. Rose Merry Gaston defined Veteran's Day and gave it's origination. Preston Rose acted as MC and introduced Mike Simmons, James Alford, Emmett Lewis, Mary Jo Butler, Calvin Johnson, Jimmie Cass and Elma Ann Lewis who read patriotic quotations. Linda Payne was pianist.

Don Hafley was one of the Aggies parading in the pre-game activities at Houston Saturday. L. T. Hefley and Norma went down Saturday to the game and visited with Mr. and Mrs. Joe Wilson through dinner Sunday. Mrs. Ola Hafley has been visiting there and she came home with them Sunday.

Mr. Frank Shafer has been in Scott and White Hospital in Temple this week. Jimmie Stubbs spent several days in the hospital in Hearne. He went over Monday night with pneumonia.

Earl Hardcastle came home Tuesday night from the hospital where he has been since he almost lost his hand as a result of a bad accident with his saw.

Mr. and Mrs. Buddy Erwin and children of Baytown visited Mr. and Mrs. Harry Gilbert and Mrs. C. T. Erwin this weekend.

Word was received by Mrs. James Harris of the illness of her brother, Bill Jones. He has had a severe heart attack at his home in Dilley and has been in the hospital where he will have to remain for several weeks.

Vel Wise, in the Searcy - Fleming Hospital in Hearne with a heart attack is hoping to be permitted to come home for Thanksgiving.

Mr. and Mrs. J. T. Todd and Billy visited the Charlie Todd family in Elmer, La. Tuesday, Wednesday and Thursday of last week. Mary Nell stayed with her grandparents, Mr. and Mrs. Roger Todd, during that time.

Mr. and Mrs. Tom Evans of Dallas are visiting with Mrs. Allen Vernon this week.

Mrs. Ruby Masengale of Maysfield and Mrs. Hazle Peel of Temple visited Mr. and Mrs. Robert Self this week.

The South Milam County United Fund Drive is now in full swing and two weeks have been allotted for it's completion by Thanksgiving. Mrs. Gene Walker or Mrs. Carol Wise will call on you in the next few days. Have your contribution ready for them so Gause will be one of the first communities to go over the top. This one fund covers the Red Cross, The Boy Scouts, The Girl Scouts, The Salvation Army, and The Texas Rehabilitation Center at Gonzales (Polio Warm Springs).

Our postmaster, Mrs. Juanita Thomas, was back in the office Monday morning after an absence of four weeks during which time she had her appendix removed. We have missed her and all are glad to see her back on the job.

The men of the community met for breakfast Sunday morning at 7:30 at the Dudley Varner Annex. Despite the freezing weather, twenty members were present for the ham and eggs that were served. The Rev. Bob Fulmer, pastor of the Baptist Church lead the group in prayer and a short devotional was held by the pastor of the Methodist Church, Mr. Jerry Harper. It was decided to make the future meeting time 7 a. m. on each third Sunday morning.

Ann Wimberly from SHTC College, Huntsville spent the weekend with her parents Mr. and Mrs. D. S. Wimberly.

Mr. and Mrs. Barton Brown from Texas City visited her mother, Mrs. Freda Meyers and sister Mrs. N. J. Young this weekend.

Guard Unit Wins Colonel's Praise In Inspection

Company C, 3rd Medium Tank Battalion, Milam County's National Guard unit, received its annual Federal inspection last week, it reported today.

The inspection required annually by Army regulations, was conducted by Lt. Col. Karl G. Carson, representing the Inspector General's Department, Fourth Army, Fort Sam Houston, San Antonio.

Colonel Carson examined Company C's records, equipment and Armory facilities during the afternoon. Then during the regular Tuesday night drill period he inspected the Guardsmen in ranks.

He asked frequent questions about their Guard assignments, their weapons and their civilian occupations.

Later he observed their training in their classroom work.

Col. Carson indicated he was well pleased with the unit's records and training. He will submit a written report of his findings later.

Col. Carson was accompanied on his visit to the unit by several Army and Guard officers. They included Lt. Col. Olin F. Brewster, Maj. Robert B. McBurney, Capt. Cleveland O. Bucklew, Capt. Carl O. Brown and 1st Lt. Don D. Decker of the 3rd Medium Tank Bn staff, Temple. Also Maj. Donald W. Seibert, Army Advisor, Maj. Robert J. Huddleston and MSGT Wade J. T. Liveoa, Sgt. Advisor.

Cameron Auto Supply Boasts The Best In Name-Brand Parts

Cameron Auto Supply Co., located at 101 E. Main Street south side of the Courthouse, are celebrating their fifteenth year in Cameron. They have built their business on service to their customers, handling only the best quality, nationally known brands of replacement parts for all makes of automobiles, trucks and tractors. Such names as McQuay-Norris, Farm, Walker, Gates, A. C. Champion, Hastings, Autolite, Blackhawk, Lockheed and the Genuine United Motors Lines including Delco - Remy, New Departure, Hyatt

Carter, Rochester, Delco Batteries and other related lines that go to make up a complete stock of the best replacement parts available. In addition to the automotive lines carried they stock parts for Briggs & Stratton, Clinton, Lauson Power Products and Lawnboy small gasoline engines.

They urge owners of any of these small gasoline engines to get all necessary model and type numbers of their engines before asking for replacement parts as this information is very necessary to obtain the correct part needed.

Cameron Auto Supply believes in fairness to all. They have no giveaways, special prices on shoddy merchandise, only quality and service they expect themselves are good enough for their customers. Old customers and friends are always welcome, new ones are invited to visit us for their requirements to keep their automotive equipment rolling.

Cameron Auto Supply wishes to thank their friends for the fine cooperation during the past fifteen years and hope to serve you many more.

Stedman Co. Ford Tractors Are Dependable

You get power you can depend on with Ford Powermaster tractors available at Stedman Tractor Co., Cameron, according to H. H. Stedman, agency owner.

Stedman points out that his tractor agency features sales and service on all Ford tractors and field equipment and New Holland balers, rakes and mowers.

His company also handles the famous Maytag gas range, washers, dryers and conventional washers. Another product well-known for its efficient operation, Stedman says, is Toro Lawnmowers.

"We have operated a Ford tractor agency since 1946 on the basis of fair price on all our farm equipment good trade-in allowances on used equipment and the Best Ford farm equipment repair in Central Texas."

Hugh Smith has managed Stedman Tractor since it was opened. The agency was moved to its present location, First and North Central, a short time after it was established in Cameron after World War II.

"Stedman Tractor also has excellent service personnel in Leroy Barkmeyer, our service manager and Herman Reineke, tractor mechanic. Barkmeyer has 10 years of experience while Reineke has about seven," Stedman says.

Eagle Lake, Hunters Haven

By Vern Sanford

Gamewise this has been a most unusual year. There has been an eruption of practically every living thing. There was an abundance of food plants; the mast crop was heavy; and a record wildlife crop has been reported from practically every area of the state.

As a result, in some parts of Texas right now we are enjoying a bonus hunting privilege. It was possible, under regulatory authority, to open the Texas quail season a month early in almost a dozen Texas counties.

Two of these were in Southwest Texas, where shooting of quail was authorized to begin Nov. 3. The same action was taken for the tier of nine counties West of the Pecos.

In addition, the bag limit was jumped from 12 to 15 per day and from 36 to 45 in possession. This in counties making up the Possum Kingdom and the Panhandle regulatory areas.

Many other counties in Texas might have enjoyed the same privilege had they been under regulatory authority. Now there are 103 counties in the state where the Game and Fish Commission has authority to set seasons on the basis of conditions.

This means an additional harvest of wildlife when the season is good, or the halting of the harvest when the season is bad.

Naturally this complicates things so far as keeping up with regulations is concerned. With 254 sets of ties in Texas it would be possible to have as many as 254 sets of regulations. However, it wouldn't work out quite that bad.

Most of us who have hunted for any length of time have decried in the past the multiplicity of general laws changing seasons in various counties. That was done, however more for political reasons.

Under the new program any change in regulations is based upon supply. This supply is the results of conditions.

In practically every other state in the Union there are very long and strict closed seasons on squirrels, particularly in some areas where pecans are plentiful. If we continue to shoot them off the nest, however, our abundance can't last.

Under regulatory authority seasons will be set perhaps by ecological areas. When conditions are hunting privileges. Some of these are pretty swanky places too.

For years duck and goose hunters have been able to hunt on a per diem basis. All along the Texas coast there are camp operators who provide boats and blinds at from \$5 to \$10 a day.

In the rice fields the going price charged goose hunters is \$10 a day. And most of the hunters get their money's worth.

If you don't believe this, just drive along the Texas coastline in the late afternoon. Or during the day, drive around the back roads of the feeding grounds in the rice field area of Texas.

One of the best places to see geese in action is southeast of Eagle Lake in the Lissie prairie area, where thousands of geese feed.

Hunting there is available between sunup and 12 noon. By good there will be longer seasons, or perhaps the bag limits will be increased.

Other states have found this profitable. Colorado has been able to permit the killing of as many as four deer by one hunter, on a permit system, in areas where there were more deer than the carrying capacity of the land would justify.

This perhaps never will be possible in Texas because we don't have millions of acres of open public land.

Incidentally, more land owners this year have come to the belief that wild game is a crop. Many land owners permitted dove hunting at \$1.50 to \$2 per gun on their pasture lands, and found it profitable.

Most hunters would rather pay that amount than climb a fence. This year, for the first time thousands of acres of good quail country will be opened up at prices ranging from \$2 to \$5 a day.

Many Southwest Texas land owners already have been advertising their places for hunters.

Some motels in hunting areas have found it profitable to work out package deals. They have rates that include rooms, meals and a hunt. It's no longer something special

agreement, however, land owners close down shooting at noon, giving the geese a chance to catch up on their feeding and rest. It makes shooting better the next day.

It is all right to drive along the back roads in these areas and watch the geese in the afternoon, but don't get any wild ideas about climbing a fence. You might be the one who gets shot.

What's in a Name?

Lure manufacturers are just about the "promotest" people we've seen. Evidently they sit up nights thinking up new names for their products. Guess they have to in view of the variety of products they make.

But we gotta take off the Texas Stetson to Herb Mills for the unique designations he has selected. Just look at this list: Acrobat, Waterloo, Little Savage, Matchless, Minnow, Operator, Top Pop, Depthfinder.

We thought he'd really goofed when he called one, The Golf Ball. But sure 'nuf it's a play on words. The lure is a second cousin to the "golf" ball, in appearance.

But do they appeal to fish? Evidently because Wiley Thornton, Mills' Texas rep writes us every week about the great catches some body has made with a Hi-Baller, or a Spunky, or a Deepster, or a Hopalong. And nothing succeeds like success!

Baptist Choirs To Sing Concert For Thanksgiving

A five choir Thanksgiving choral concert will be presented at 7:15 p. m. Sunday at the First Baptist Church, Cameron.

The Music ministry of the church, headed by education director Royce Blackmon, will lead the choral groups, ranging from a beginner group through the church choir.

Each group will sing about three numbers while the program will also include quartet, solo and organ preludes.

The Church Choir will present a program to include: "Come, Ye Thankful People, Come" from St. George's Windsor; "O Jesus, Grant Me Hope and Comfort" by Franck - Stein; "Seek Ye The Lord" by Roberts featuring Narwin Hughes as tenor soloist; "The Twenty - Third Psalm" by Davis; and "O Give Thanks to The Lord" by Maunder, with Francis Cox as soloist.

The Cherub Choir is under the direction of Miss Kay Cox and director of junior - age Carol Choir is Mrs. H. M. Yager. Mrs. Royce Blackmon directs the Celestial Choir.

Other special numbers include an organ prelude "Adagio" from Beethoven's "Moonlight Sonata" by Mrs. Francis Cox and a vocal selection from the opera "Largo" by Blackmon.

Book Exhibit Set For Milam Readers

A library book exhibit for teachers and parents of Milam County will be displayed at three places in the county next week.

County Supt. H. D. Maxwell said that the showing will be made 4 to 9 p. m. November 23 at the Rockdale School lunchroom, and 4 to 9 p. m. November 24 at Ben Milam lunchroom.

Another showing is scheduled from 4 to 9 p. m. November 25 at O. J. Thomas lunchroom.

Maxwell said books can be selected for the libraries in all schools and public and privatelibraries. Six hundred books covering 31 subjects will be on display.

Dr. Ben. M. Harris, assistant professor of education administration, University of Texas, arranged for the county exhibit, he said.

Last week basketball schedules were distributed throughout the Cameron business houses. The schedules will be on display in store windows to remind Cameronites of the time and dates of the Yoemen's basketball games.

This is the first time basketball schedules have been distributed by the Herald even though football schedules have been printed for the past 2 years.

With more games during basketball season and on different days of the week the schedules will probably have more practical use than the football schedules.

Archie Mraz, former Yoe half-

back and now a member of the United States Air Force is visiting Cameron and attended the football game Friday night.

VOS

Last week's football game marked the second bad weather game of the year, previously the Rogers contest the week before was the only bad weather game.

Despite a letup in attendance the weather had a "for the good" effect on the Yoemen. They won their only season game in rain and tied in weather where the football could hardly be held on, due to the icy wind whipping down on Yoe stadium Friday night.

I Give You Texas

By Boyce House

My respect for the departments of the Federal Government has always been high - but it has been subjected to doubt recently.

When I was a small boy, my father and I lived in Del Rio one summer. He had a boxball (similar to bowling) alley in a large tent on a corner in the business district. As his health was impaired and he rested much of the time, I ran the place.

There was a "revolution" in Mexico - this was in 1908 - and many refugees swarmed across the Rio Grande and took up their abode in the Latin - American section of Del Rio. At the same time, American troops were assigned to the city to keep an eye on any infringement of American neutrality by combatants.

It was thrilling to a boy to see these soldiers, especially the cavalry troopers as they rode, or strolled, around. Some patronized the boxball alley. I recall one - a Lieutenant, I believe who was an especially dashing fellow, with the front of his hat brim pressed against the crown, giving a stream - lined effect. (This was the style of Roosevelt's Rough Riders of the Spanish - American War.) He was a handsome young chap, with an eye for the ladies - and they likewise directed semi - averted glances his direction. There was one young lady for whom I entertained a secret affection - she was very pretty and only about twice my age - and when the lieutenant began squiring her around, I lost much of my admiration for him. However, that wasn't what I set out to write about.

My favorite among all the troopers was a corporal - Fritz V. Lindrude. (That may not be the exact spelling.) He had cards with his name and title printed on them. I have an idea that he was from Minnesota or perhaps the Dakotas, although I can not recall that he ever said.

He was older than most of the other soldiers and was almost bald-headed. He would play boxball and we became friends. When business was dull, he would invite me to a nearby ice cream parlor where I had a strawberry milk - shake. I must confess I don't remember what his selection was.

One day, he invited me to a baseball game. He was the pitcher; either two service teams or perhaps a military nine and the town team were opponents. The

corporal was popular with the spectators and pitched his team to victory, one youthful fan shouting loud encouragement.

If he is still living, he would be at least 80 years of age.

I thought that he would be happy to hear from the lad of Del Rio days, and I would send him one of my books. So I confidently wrote to my Congressman - Jim Wright of Fort Worth - and he reported that inquiry revealed that there was no record of my friend in the War Department files. What inefficiency! What are we paying taxes for? No record of Corporal Fritz V. Lindrude! How can a man be sure there was ever such a person as U. S. Grant - much less Winfield Scott?

The War Department blithely claims to list every Union soldier who was in the Battle of Gettysburg - including all the horse handlers and sutlers, almost 100 years ago - yet can not come up with any record of my friend, a mere 50 years back, just yesterday you might say.
